To all Managers and Division Directors --

I know. These are all grown adults. We shouldn't have to. And yet ...

Weeks ago I messaged all of you: ~ Rule 2.4 will be enforced, so get your players in black or dark blue.

At the Umpire Clinics, we stressed this.

Butts in the wrong color will sit on those butts for that game.

Please don't wait til game time -- scan your guys warming up.

And expecting that SOME guy will have forgotten, Bob Brown (bless 'im) bought a couple pair of shorts. BLACK shorts.

If necessary, tell your guy to take his car keys or phone, go to the Equipment Room, find the hanging white bag "HnP black courtesy pants", leave his keys, choose a pair, and change! After the game, return the shorts and pick up his car keys (yeah, any guy who needs loaner pants needs a reminder to return them -- keys work).

Let's just make this non-issue go away so we can play ball.

Appreciate your support, Peter
